Niki A. Silverstein, M.D. of SILVERSTEIN EYE
Sees the Eye as Windows to Well Being.

Chester, NJ – September 2012 –Dr. Niki A. Silverstein, Director of SILVERSTEIN Eye, Division of Niki Silverstein Eye MD, LLC, surgery center of Chester, NJ has consistently been noted as a “Top Ophthalmologist” in **Consumers’ Guide to America’s Top Ophthalmologists**. Dr. Silverstein, a board-certified medical doctor, is recognized for her ***Vision to Lead*** and excellence in advancing the newest technology for the treatment and management of eye conditions and state-of-the-art surgery, including cataracts, glaucoma, laser vision correction and aesthetics procedures.

“From an Ophthalmologist’s perspective a thorough examination of the eyes allows remarkable insight into the condition of internal blood vessels and general health.” remarks Dr. Silverstein. “Numerous conditions can be diagnosed and improvement or deterioration detected by observing for characteristic changes in the eye. Conditions with manifestations specific to the eye as cataracts and glaucoma can be diagnosed, as well as conditions that are reflective of multi-organ relationships.”

SILVERSTEIN Eye is a premier cataract surgery center at the forefront of advancements in cataract surgical care utilizing the latest multifocal intraocular lenses for both near and far vision correction, as well as, “toric” intraocular lenses to correct astigmatism, helping patients have the eye health and clear vision they deserve. With over 25 years surgical experience, Dr. Silverstein is a proponent of “all-laser, no-cutting” technology in laser vision correction. SILVERSTEIN Eye offers comprehensive services from complete eye examinations for adults, seniors and children, to treatment of eye problems and diseases of the eye, and contact lens fittings. The practice offers an on site Optical Outlet where their Optician assists patients in fitting and selection of the latest styles in quality eyewear.

On the cosmetic side, Dr. Niki Silverstein is certified to perform **Laser Skin Resurfacing** to reduce fine wrinkles and lines, and **Laser Cosmetic Eyelid Surgery**. Dr. Silverstein is certified in **Advanced Cosmetic Procedures** and **Dermal Filler Techniques** for aesthetic skin enhancements, utilizing the latest, most advanced techniques to achieve superior integration in key facial area for greater outcomes.

Niki A. Silverstein, M.D. is a Diplomate of the American Board of Ophthalmology and a Fellow of the American Academy of Ophthalmology. Dr. Silverstein received her medical degree from the State University of New York at Downstate Medical Center. She completed her residency in ophthalmology at Albert Einstein College of Medicine, Montefiore Hospital and Medical Center. In addition, Dr. Silverstein spent two years working with the pioneer/inventor of modern cataract surgery at the forefront of the current technology (phacoemulsification). Dr. Silverstein has performed over 15,000 cataract procedures. For more information, visit www.silversteineye.com or call 908-879-7297.
